

The Remote-Controlled Society

A roundtable discussion with:

- Cory Doctorow, science fiction writer and co-editor of *Boing Boing* tech blog
- Rebecca Curtin, Asst. Professor of Law, Suffolk University
- Nina Huntemann, Assoc. Professor of Media Studies, Suffolk University
- Leonid Reyzin, Professor of Computer Science, Boston University

Cory Doctorow will be selling and signing books after the discussion.

What happens when companies own the rights to the electronics that your life depends on?
