FOIA Case: 78186A  
2 March 2017

STEPHEN A REVILAK  
[REDACTED]

Dear Mr. Revilak:

This responds to your Freedom of Information Act (FOIA) request of 23 May 2014 for "A screen shot of the NSA's intranet home page." A copy of your original request is attached. As stated in our initial response to you, dated 30 June 2014, your request has been assigned Case Number 78186. For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. There are no assessable fees for this request. Your request has been processed under the FOIA and the document you requested is enclosed. Certain information, however, has been deleted from the enclosure.

Personal information regarding individuals has been deleted from the enclosure in accordance with 5 U.S.C. 552 (b)(6). This exemption protects from disclosure information that would constitute a clearly unwarranted invasion of personal privacy. In balancing the public interest for the information you request against the privacy interests involved, we have determined that the privacy interests sufficiently satisfy the requirements for the application of the (b)(6) exemption.

In addition, this Agency is authorized by statute to protect certain information concerning its activities, as well as the names of its employees. Such information is exempt from disclosure pursuant to the third exemption of the FOIA, which provides for the withholding of information specifically protected from disclosure by statute. The specific statute applicable in this case is Section 6, Public Law 86-36 (50 U.S. Code 3605). We have determined that such information exists in these records, and we have excised it accordingly.

Since these deletions may be construed as a partial denial of your request, you are hereby advised of this Agency's appeal procedures.

You may appeal this decision. If you decide to appeal, you should do so in the manner outlined below.

- The appeal request must be in writing and addressed to:

NSA/CSS FOIA/PA Appeal Authority (P132)  
National Security Agency  
9800 Savage Road STE 6932  
Fort George G. Meade, MD 20755-6932

- The request must be postmarked no later than 90 calendar days of the date of this letter. Decisions appealed after 90 days will not be addressed.
- Please include the case number provided above.
- Please describe with sufficient detail why you believe the denial or requested information was unwarranted.
- NSA will endeavor to respond within 20 working days of receiving your appeal, absent any unusual circumstances.

You may also contact our FOIA Public Liaison at [foialo@nsa.gov](mailto:foialo@nsa.gov) for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:
