

Chart the Future of the Massachusetts Pirate Party at our 2025 Spring Conference!

We are a political party that fights for:

- people's privacy,
- making government accountable and transparent for all,
- everyone's ability to share our culture and knowledge and
- eliminating the power of corporations to dictate our lives.

We run candidates for state legislature and local offices.
We want your help!

Join us on Sunday, June 15th, 2025 at the Lavender room at Arts at the Armory, 191 Highland Ave., Somerville. Our conference starts by 10am and ends after 4pm.

Our conference is free and open to the public, but we request participants mask and register in advance at the QR code:

The Arts at the Armory is wheelchair accessible. It is on the Route 88 and 90 bus lines as well as in walking distance from the Gilman and Magoun Squares MBTA Green line stations. There is free parking in the back.
